

Preliminary Amendment  
USSN: 10/635,938  
November 1, 2005  
Page 3

REMARKS

The specification has been amended to identify U.S. Patent applications to which the subject matter of the present application may be related. These applications are being brought to the attention of the Examiner, pursuant to MPEP § 2004, paragraph 9. However, the citation of these applications should not be construed as an admission that the disclosure of this application is related to the patentability of the present application. The Applicants submit that no new matter is introduced by this preliminary amendment, and, therefore, the amendment may be properly entered.

Respectfully submitted,

Robert Popa  
Reg. No. 43,010  
Attorney for Applicant
